

Wednesday 19 October 2022

ANZHFR Hip Fest 2022 and Pre-Congress Special Interest Group Meetings

Physio Special Interest Group in partnership with ANZHFR		Nursing Special Interest Group in partnership with ANZHFR	Secondary Fracture Prevention Special Interest Group	
Clarendon Auditorium		Clarendon Room E		
Opening session with ANZHFR/Physio and Nursing SIGS (08:40 - 09:10)		Secondary Fracture Prevention Special Interest Group <i>Chair: Robyn Speerin</i> (08:30 - 12:30)		
Clarendon Room C	Clarendon Auditorium		Clarendon Room E	
Physiotherapy SIG Session: Upper limb fracture rehabilitation <i>Chair: Prof. Nick Taylor</i> (09:15 - 11:00)	Combined Nursing/ANZHFR session <i>Chair: Assoc. Prof. Catherine McDougall</i> (09:15 - 11:00)		Developing competencies for FLS Coordinators Kassim Javaid & Tasha Koerner-Bungey (08:30 - 10:00)	
Morning Tea Break (11:00 - 11:30)		Morning Tea Break (10:00 - 10:30)		
Morning Tea Break (11:00 - 11:30)		Driving a program of peer support in Secondary Fragility Fracture Prevention (10:30 - 12:00)		
Clarendon Auditorium		Clarendon Room E		
Combined Nursing/Physio and ANZHFR session <i>Chair: Assoc. Dr. Sarah Hurring</i> (11:30 : 13:20)		Secondary Fracture Prevention Special Interest Group <i>Chair: Robyn Speerin</i> (08:30 - 12:30)		
Lunch (13:20 - 14:30)		Wrap up and Close of session (12:00 - 12:30)		
Clarendon Room C	Clarendon Room E			
Physiotherapy SIG Session: Enhancing patient engagement <i>Chair: Prof. Cathie Sherrington</i> (14:30 - 15:40)	Nursing SIG Session <i>Chair: Ms. Anita Taylor</i> (14:30 - 15:40)			
Clarendon Auditorium				
Combined Nursing/Physio and ANZHFR Session <i>Chair: Prof. Jacqui Close</i> (15:45 - 17:00)				
Drinks and Canapes (17:00)				

Thursday 20 October 2022

AEDT/CEST/EST		Meeting Room 105 & 106					AEDT/CEST/EST	
08:30 - 09:00 (AEDT) 23:30 - 00:00 (CEST - WED) 17:30 - 18:00 (EST - WED)		Opening Ceremony & Acknowledgement of Country <i>Chairs: Dr. Hannah Seymour and Prof. Peter Ebeling AO</i>					08:30 - 09:00 (AEDT) 23:30 - 00:00 (CEST - WED) 17:30 - 18:00 (EST - WED)	
09:00 - 10:30 00:00 - 01:30 (CEST) 18:00 - 19:30 (EST - WED)		Plenary Session 1 - Hot Off the Press - Panel Discussion					09:00 - 10:30 00:00 - 01:30 (CEST) 18:00 - 19:30 (EST - WED)	
09:00 - 09:25	Replacing broken hips: which implant for which patient? Prof. Matt Costa <i>University of Oxford, UK</i>					09:00 - 09:25		
09:25 - 09:50	The perfect anaesthetic Prof. Mark Neuman <i>Perelman School of Medicine, USA</i> Remote presentation					09:25 - 09:50		
09:50 - 10:15	The benefits of nutrition in RACFs Dr. Sandra Iuliano <i>Department of Medicine – Western Health, The University of Melbourne, AUS</i>					09:50 - 10:15		
10:15 - 10:30	Q&A Panel					10:15 - 10:30		
10:30 - 11:00		Morning Tea Break MCEC Level 1 - Exhibition Space					10:30 - 11:00	
	Meeting Room 105	Meeting Room 106	Meeting Room 101 & 102	Meeting Room 103	Meeting Room 104			
11:00 - 12:30 (AEDT) 02:00 - 03:30 (CEST) 20:00 - 21:30 (EST - WED)	Acute Fracture Management <i>Chairs: Dr. Hannah Seymour & Prof. Frede Frihagen</i>	Preventing the next fracture <i>Chairs: Prof. Peter Ebeling & Prof. Manuela Ferreira</i>	Registries, Big Data, Big Picture <i>Chairs: Dr. Cris Ojeda-Thies & Prof. Ian Harris</i>	Multidisciplinary acute care and early recovery <i>Chairs: Prof. Jae-Young Lim & Prof. Lauren Beaupre</i>	FLS <i>Chairs: Ms. Robyn Speerin & Prof. Elias Panagiotopolous</i>	11:00 - 12:30 (AEDT) 02:00 - 03:30 (CEST) 20:00 - 21:30 (EST - WED)		
11:00 - 11:12	133: Total hip arthroplasty leads to better results after low-energy displaced femoral neck fracture in patients aged 55 to 70 years Jan-Erik Gjertsen	87: Is the Association of Physical Activity with Bone Microarchitecture Causal? A Study of Adult Female Twin Pairs Vivienne Esser	57: An 11-year longitudinal analysis of refracture rates and public hospital service utilisation in Australia's most populous state Jennifer Williamson & Liz Hay	21: Handgrip Strength and Modified Functional Ambulation Classification Cut-off Points to Identify Post-operative Walker in Fragility Hip Fracture Ivan Long Yin Au Pre-Recorded Presentation	103: Can general practitioners take the helm in osteoporosis refracture prevention? A proof of concept from a regional setting in Northern New South Wales, Australia Craig Knox	11:00 - 11:12		
11:13 - 11:25	33: Who, if anyone, may benefit from a total hip arthroplasty after a displaced femoral neck fracture? A post hoc subgroup analysis of the HEALTH trial Frede Frihagen	76: Trabecular Bone Score is Associated with Prospective Fracture and Refracture in Adults Kara Anderson	62: Inconsistency and Ambiguity within the ICD-10 Procedure Coding System for Hip Fractures Levent Ozdemir Pre-recorded Presentation	80: Effectiveness of perioperative interventions to improve mobility after hip fracture Mitchell Sarkies	117: Impact of a new FLS on an established Bone Densitometry Service Jas Birk Pre-recorded Presentation	11:13 - 11:25		
11:26 - 11:38	79: Not another nail in the coffin: The mortality risk of cement use in arthroplasty for hip fractures Niamh Ramsay	108: An electronic finding tool identifies numerous vertebral fractures from the medical record that were missed with traditional clinician-based secondary fracture prevention strategies Sue-Lynn Lau	20: Driving up the standard of care: The Irish Hip Fracture Database 8 years on Louise Brent Pre-recorded Presentation	147: Lost in translation: multidisciplinary care for patients with hip fractures experiencing delirium Tarandeep Oberai	35: The role of mentoring and peer support in development of world-class Fracture Liaison Services Christine Gill	11:26 - 11:38		
11:39 - 11:51	182: No benefit of the Trochanteric stabilizing plate on loss of fracture reduction in AO/OTA 31-A2 trochanteric fractures Frede Frihagen	165: Conditions for effective multifactorial falls prevention interventions: an intervention component analysis and qualitative comparative analysis Jenni Suen	89: Comparison of hip fracture burden on two different national health care systems in Europe. A two country / five hospital study Efthymios Iliopoulos Pre-recorded Presentation	48: Short-Term Outcomes of Patients with Fragility Hip Fractures Infected with SARS-CoV-2 Managed in a COVID-19 Referral Hospital with an Orthogeriatric Team in a Developing Country Irewin Tabu	73: Fracture Liaison Services – how many fractures should a service expect? Shireen Bhujwala	11:39 - 11:51		
11:52 - 12:04	156: The safety and efficacy of tranexamic acid in hip fracture Nicholas Skladnev	132: A 12-month randomised controlled trial of step and seated cognitive/motor training for preventing falls in community-dwelling older people Stephen Lord	74: How did we win policy change for geriatric hip fractures: Early surgery under Orthogeriatric comanagement Takeshi Sawaguchi	158: Reduced Length of Stay in Hip fracture patients with a 7 day Orthogeriatric Service at the Royal Adelaide Hospital Peter Smitham	109: Finding appropriate patients for Osteoporotic Refracture Prevention (ORP) Services across New South Wales Danella Hackett	11:52 - 12:04		
12:05 - 12:17	58: Minimizing blood loss & morbidity in periarticular hip surgeries Pradyumna Majumdar	97: Exercise interventions for falls prevention in aged care: trial endpoint meta-analyses Suzanne Dyer	65: Incidence of Hip Fracture during the COVID-19 Disaster in Tottori Prefecture Mari Osaki Pre-recorded Presentation	40: A Comparison of Complication Rates between Early and Delayed Surgery among Filipino Patients with Fragility Fractures of the Hip Abigail Tud	135: Compliance of a department-wide Fracture Liaison Service 2016 to 2021 Ellen Langslet	12:05 - 12:17		
12:18 - 12:30	64: Preoperative CT has an impact on the stability evaluation of trochanteric hip fractures Thomas Woldeyesus	Update from the Global Burden of Disease Study Lyn March	55: Does a standardized treatment course affect mortality in hip fracture patients? Data from the Norwegian Hip Fracture Register Jan-Erik Gjertsen	168: Quality improvement and fast-track hip fracture surgery 2018 - 2020 Østfold Hospital Trust, Norway Denisa Velic	45: Effectiveness of an Osteoporosis Refracture Programme - a tale of two country cities Peter Wong	12:18 - 12:30		

12:30 - 13:30	Poster Viewing MCEC Level 1 - Exhibition Space						12:30 - 13:30
13:30 - 15:00 (AEDT) 04:30 - 06:00 (CEST) 22:30 - 00:00 (EST - WED)	Interactive Workshop Sessions						13:30 - 15:00 (AEDT) 04:30 - 06:00 (CEST) 22:30 - 00:00 (EST - WED)
	 Meeting Room 105	 Meeting Room 106	Meeting Room 101 & 102	Meeting Room 103	Meeting Room 104	Meeting Room 107	
	Secondary Prevention	Multidisciplinary acute care	Rehabilitation	Multidisciplinary acute care	Secondary Prevention	Education Committee Workshop Sponsored by Danone 	
13:30 - 15:00 04:30 - 06:00 (CEST) 22:30 - 00:00 (EST - WED)	Benchmarking secondary fracture prevention - the role of clinical standards and FLS registries <i>Convenor:</i> Paul Mitchell & Markus Seibel	Vertebral Fragility Fracture - can we identify the right treatment, for the right patient, at the right time? <i>Convenors:</i> Manuela Ferreira & Opinder Sahota	Could behaviour change interventions improve fragility fracture outcomes? <i>Convenors:</i> Nick Taylor & Cathie Sherrington	Surgery for femoral neck fractures: What is new and what is true? <i>Convenors:</i> Frede Frihagen & Seth Tarrant	Non-pharmacological interventions for fracture prevention - powerful therapy properly applied <i>Convenor:</i> Belinda Beck	Optimizing nutrition in fragility fracture recovery of frail sarcopenic patients - a resource for HCPs <i>Convenors:</i> Paolo Falaschi & Stefano Eleuteri	13:30 - 15:00 04:30 - 06:00 (CEST) 22:30 - 00:00 (EST - WED)
13:30 - 13:45	Working together to prevent falls and fractures in Aotearoa NZ Kirsten Malpas (13:30 - 13:40) <i>Pre-recorded Presentation</i>	Welcome & Introductions Manuela Ferreira (13:30 - 13:40)	Introduction to behaviour change science and motivational interviewing Paul O'Halloran (13:30 - 13:45)	Welcome Freder Frihagen & Seth Tarrant (13:30 - 13:35)	Introduction & Presentation Exercise for osteoporosis and fracture prevention Belinda Beck (13:30 - 13:56)	Why interdisciplinary education is essential in achieving FFN's aims Julie Santy-Tomlinson <i>Pre-recorded Presentation</i>	13:30 - 13:45
	The Australian and New Zealand Fragility Fracture Registry Stewart Fleming (13:40 - 13:50)	Is there a role for vertebral augmentation in the acute management of VFF? Results of the latest Cochrane Review on percutaneous vertebroplasty for osteoporotic vertebral compression fracture. Rachelle Buchbinder (13:40 - 13:55)	Motivational interviewing after hip fracture: trial results and case studies Nick Taylor (13:45 - 13:55)	Arthroplasty fixation – The White-5 trial Xavier Griffin (13:35 - 13:45)		Making interdisciplinary nutrition care SIMPLER – a global educational initiative Jack Bell & Ólöf Guðný Geirsdóttir	13:45 - 14:00
13:45 - 14:00	The UK Fracture Liaison Service Database and Royal Osteoporosis Society Clinical Standards for Fracture Liaison Services Kassim Javaid (13:50 - 14:00) <i>Pre-recorded presentation</i>	What does the evidence and expert consensus tell us about exercise for the management of VFF tell us? Results of the latest Cochrane Review on exercise for health outcomes, and an international consensus on the management of patients with VFF. Lora Giangregorio (13:55 - 14:10) <i>Remote Presentation</i>	Coaching for home exercise and physical activity: trial results and case studies Cathie Sherrington (13:55 - 14:05)	Minimally displaced fractures – fix or replace Seth Tarrant (13:55 - 14:05)	Exercise for sarcopenia and fracture prevention David Scott (13:56 - 14:21)		14:00 - 14:15
14:00 - 14:15	A first facilities audit of Fracture Liaison Services in trauma hospitals in Ireland and a new National Database for Fracture Liaison Services Frances Dockery (14:00 - 14:10)	What research is needed to fill knowledge gaps to improve patient outcomes in managing osteoporotic vertebral fractures, either through vertebral augmentation or other nonpharmacologic approaches? Results of the American Society for Bone and Mineral Research Task Force. Peter Ebeling (14:10 - 14:25)	Demonstration of motivational interviewing and small group discussion Made Rimayanti (14:05 - 14:30)	Young patients – fix or replace Jan-Erik Gjertsen (14:05 - 14:15)		Rehabilitation and recovery in frail sarcopenic patients Maria Crotty	14:15 - 14:30
14:15 - 14:30	The American Orthopaedic Association's 'Own the Bone®' Database: a national quality improvement project for the treatment of bone health in fragility fracture patients Paul Anderson (14:10 - 14:20) <i>Pre-recorded presentation</i>	Why clinicians overestimate effects and underestimate adverse events Ian Harris (14:25 - 14:30)		Any place for total hip arthroplasty? – The HEALTH trial Frede Frihagen (14:15 - 14:25)	Nutritional approaches for optimising the effects of exercise on musculoskeletal health Robin Daly (14:21 - 14:46)		14:30 - 14:45
14:30 - 14:45	The Australian and New Zealand Fragility Fracture Registry in New Zealand and the Clinical Standards for Fracture Liaison Services in New Zealand Roger Harris (14:30 - 14:40)	Panel Discussion facilitated by Ian Harris (14:30 - 14:45)	Reflections from panelists on relevance to their discipline and country Lauren Beaupre, Matt Costa, Monica Perracini & Maria Crotty + Panel Discussion	Panel Discussion		Transforming content into e-learning Maria Eduarda Batista de Lima <i>Pre-recorded Presentation</i> (14:30 - 14:40)	14:45 - 15:00
14:45 - 15:00	Panel Discussion (14:40 - 15:00)				Panel Discussion and Q&A		Interactive Q&A & Discussion (14:40 - 15:00)

15:00 - 15:30	Afternoon Tea Break MCEC Level 1 - Exhibition Space	15:00 - 15:30
Meeting Room 105 & 106		
15:30 - 17:00 (AEST) 06:30 - 08:00 (CEST) 00:30 - 02:00 (EST)	 Plenary Session 2 - Fractures Less Visited - Panel Discussion <i>Chairs: Prof. Anette Hylen-Ranhoff and Dr. Seth Tarrant</i>	15:30 - 17:00 (AEST) 06:30 - 08:00 (CEST) 00:30 - 02:00 (EST)
15:30 - 15:55	Management of Vertebral Fractures Prof. Peter Ebeling <i>Monash University, AUS</i>	15:30 - 15:55
15:55 - 16:20	Management of ankle fractures Dr. Matthew Hope <i>Brisbane, Australia</i>	15:55 - 16:20
16:20 - 16:45	Other femoral fractures — shaft, distal and peri-prosthetic fractures Dr. Antony Johansen <i>Cardiff University, UK</i> Remote Presentation	16:20 - 16:45
16:45 - 17:00	Q&A Panel Discussion	16:45 - 17:00
18:00 - 21:00	Congress Gala & Welcome Event Rivers Edge Events (5 min walk from MCEC)	18:00 - 21:00

Fragility Fracture Network Global Congress (FFN)
20 - 22 October 2022
Melbourne Convention and Exhibition Centre, Australia

Friday 21 October 2022

AEDT/CEST/EST		Meeting Room 105 & 106		AEDT/CEST/EST	
09:00 - 10:30 (AEDT) 00:00 - 01:30 (CEST) 18:00 - 19:30 (EST - THUR)		Plenary Session 3 - A Global Approach to Care - Panel Discussion <i>Chairs: Prof. Jacqui Close and Prof. Nick Taylor</i> <i>Live streamed session</i>		09:00 - 10:30 (AEDT) 00:00 - 01:30 (CEST) 18:00 - 19:30 (EST - THUR)	
09:00 - 09:25		A Global Approach to Nursing Ms. Louise Brent <i>University Hospital Waterford, IRE</i> Pre-recorded Presentation		09:00 - 09:25	
09:25 - 09:50		A Global Approach to Orthogeriatrics Emeritus Prof. David Marsh <i>University College London, UK</i>		09:25 - 09:50	
09:50 - 10:15		An Asia Pacific Approach to Fracture Prevention and Management Prof. Manju Chandran <i>Singapore General Hospital, SIN</i>		09:50 - 10:15	
10:15 - 10:30		Q&A Panel		10:15 - 10:30	
10:30 - 11:00		Morning Tea Break MCEC Level 1 - Exhibition Space		10:30 - 11:00	

11:00 - 12:30 (AEDT) 02:00 - 03:30 (CEST) 20:00 - 21:30 (EST - THUR)	Interactive Workshop Sessions					11:00 - 12:30 (AEDT) 02:00 - 03:30 (CEST) 20:00 - 21:30 (EST - THUR)
	 Meeting Room 105	 Meeting Room 106	Meeting Room 101 & 102	Meeting Room 103	Meeting Room 104	
	Multidisciplinary national alliances	Rehabilitation	Multidisciplinary acute care	Multidisciplinary acute care	Regionalisation Committee Workshop	
11:00 - 12:30 (AEDT) 02:00 - 03:30 (CEST) 20:00 - 21:30 (EST - THUR)	Moving from knowledge to action: How to improve nutrition care across fragility fracture settings <i>Convenor: Jack Bell</i>	Providing care to older people with dementia who have hip fracture surgery <i>Convenor: Morag Taylor</i>	Optimal Surgical timing for patients taking DOACS <i>Convenor: Hannah Seymour</i>	Cultural safety in delivery of care for hip fracture <i>Convenor: Rebecca Ivers</i>	Annual review of the work of the Regionalisation Committee, in promoting the multidisciplinary management of fractures in older people through regional events and the work of National FFNs <i>Convenor: David Marsh</i>	11:00 - 12:30 (AEDT) 02:00 - 03:30 (CEST) 20:00 - 21:30 (EST - THUR)
11:00 - 11:15	Welcome Jack Bell (11:00 - 11:05)	ANZHR: Characteristics of and care provided to people with and without cognitive impairment who fracture their hip & Rehab outcomes by residential status for people with dementia who fracture their hip Morag Taylor (11:00 - 11:25)	Introduction & Scene Setting Hannah Seymour (11:00 - 11:05)	Welcome & Presentation Rebecca Ivers	Introduction Elias Panagiotopoulos	11:00 - 11:15
	Introducing nutrition as a cross-cutting issue for action across the 4 pillars Hannah Seymour (11:05 - 11:10) <i>Pre-recorded Presentation</i>		Literature Review and Australian Approach Seth Tarrant (11:05 - 11:15)			
11:15 - 11:30	Why do we need to improve nutrition care? Jacqui Close (11:10 - 11:25)	Cochrane review: Enhanced rehab and care models for people with dementia who fracture their hip Xavier Griffin (11:25 - 11:35)	Survey of UK Practice Antony Johansen (11:15 - 11:25) <i>Pre-recorded Presentation</i>	Case Study Seema Radakrishnan <i>Remote presentation</i> (11:15 - 11:25)	Policy achievements in Japan Takashi Matsushita	11:15 - 11:30
11:30 - 11:45	Opportunities to improve nutrition care: what, when, and where? Ólöf Geirsdóttir (11:25 - 11:40)	Cochrane Review: Multidisciplinary Rehab with People with Hip Fracture – Is it effective for people with dementia (including a case study)? Ian Cameron (11:35 - 11:43) <i>Pre-recorded Presentation</i>	What is happening in the US? Jaimo Ahn (11:25 - 11:35) <i>Pre-recorded presentation</i>	What is cultural safety and why does it matter? Brett Biles (11:25 - 11:40)	Development in LATAM Juan Carlos Viveros <i>Pre-recorded Presentation</i>	11:30 - 11:45
11:45 - 12:00	Who to engage in nutrition care - it's not just up to the dietitian or geriatrician! HM Khor (11:40 - 11:55) <i>Pre-recorded Presentation</i>	Rehabilitation models for people who fracture their hip and live in RACF Maria Crotty (11:43 - 11:53)	How implementing a guideline in the UK has reduced time to surgery Amy Mayor (11:35 - 11:45) <i>Pre-recorded presentation</i>	Indigenous data sovereignty and its application Courtney Ryder <i>Remote presentation</i> (11:40 - 11:50)	Panel Discussion Panelist's: Takeshi Sawaguchi Frede Frihagen Jay Magaziner Hui Min Khor Lauren Beaupre Jae Young Lim JK Lee	11:45 - 12:00
	Tools that support implementing sustainable care improvements? Emma Sutton (11:55 - 12:10) <i>Pre-recorded Presentation</i>	Healthcare professionals' perceptions of providing rehabilitation Abi Hall (11:53 - 12:03) <i>Pre-recorded Presentation</i>	Discussion Panel (11:45 - 12:30)	Interactive Discussion & Activity		12:00 - 12:15
12:00 - 12:15	How to implement, embed and sustain nutrition care improvements. Interactive Workshop Discussion	Where to from here for hip fracture care in patients with dementia' Panel Discussion (12:03 - 12:10)				
12:15 - 12:30		Interactive Q&A (12:10 - 12:30)				12:15 - 12:30
12:30 - 14:00	Lunch/Poster Viewing/Sponsored Symposiums MCEC Level 1 - Exhibition Space					12:30 - 14:00
Meeting Room 106						
12:40 - 13:40 (AEDT) 03:40 - 04:40 (CEST) 21:40 - 22:40 (EST - THUR)	Tailoring treatments according to fracture risk Peter Ebeling AO Lunchtime Symposium in Partnership with Amgen					12:40 - 13:40 (AEDT) 03:40 - 04:40 (CEST) 21:40 - 22:40 (EST - THUR)

	 Meeting Room 105	 Meeting Room 106	Meeting Room 101 & 102	Meeting Room 103	Meeting Room 104	
14:00 - 15:30 (AEDT) 05:00 - 06:30 (CEST) 23:00 - 00:30 (EST)	Registries, Big Data, Big Picture <i>Chairs:</i> Prof. Jacqui Close & Dr. Irewin Tabu	Recovery and Rehabilitation <i>Chairs:</i> A/Prof. Jack Bell & Ms. Anita Taylor	Multidisciplinary acute care and early recovery <i>Chairs:</i> Prof. Anette Hylén-Ranhoff & Prof. Nick Taylor	Preventing the next fracture <i>Chairs:</i> Dato JK Lee & Prof. Cathie Sherrington	Challenges for all <i>Chairs:</i> Prof. Ton Tran & Prof. Jay Magaziner	14:00 - 15:30 (AEDT) 05:00 - 06:30 (CEST) 23:00 - 00:30 (EST)
14:00 - 14:12	138: A simple guideline for secondary prevention improves treatment for fragility fracture patients in Norway Lene Bergendal Solberg	42: Quality of life and depression status of caregivers of fragility hip fracture patients during one year after hip fracture treatment Aasis Unnanuntana	39: The incidence of post-operative acute kidney injury in Trauma and Orthopaedics patients across an NHS trust: a quality improvement project Thomas Richardson & Sanat Kulkarni <i>Pre-recorded Presentation</i>	100: Comparison of the prescription of bone protection medication before and after hip fracture in Australia and New Zealand Rebecca Mitchell	38: Educational initiatives to support caregivers with fragility fractures Maria Eduarda Batista de Lima <i>Pre-recorded Presentation</i>	14:00 - 14:12
14:13 - 14:25	116: Hip fracture rates following introduction of a fracture liaison service - 7 year data Jas Birk <i>Pre-recorded Presentation</i>	115: Impact on access to and outcomes of inpatient rehabilitation following hip fracture during and immediately post COVID lockdown in Australia Tara Alexander	139: The rate of chronic opioid use post surgically managed neck of femur fractures Emily Marriott	164: Coaching for Healthy AGEing trial – a cluster-randomised controlled trial Cathie Sherrington	180: Measuring the impact of a fragility fracture on Health-Related Quality of Life: a systematic search and review of the literature Shireen Bhujwala	14:13 - 14:25
14:26 - 14:38	78: Hip fracture care pathways in Australian linked data: higher mortality 1-year post admission in aged care patients Stephanie Gordon	96: A call to actioning nutrition care processes that meet care standards; patient level findings from the ANZ Hip Fracture Registry Nutrition Sprint audit Jack Bell	90: Hypoalbuminemia increases complications in elderly patients operated for hip fracture Luigi Residori	77: Current management of fragility fractures – A survey of orthopaedic surgeons from the Asia Pacific region Joon Kiong Lee	30: Bone structure using peripheral quantitative computed tomography (pQCT)-based finite element modelling in young adults born extremely preterm or extremely low birthweight (EP/ELBW) in 1991 and 1992 Thang Dao	14:26 - 14:38
14:39 - 14:51	107: Variation in mortality rates following hip fracture across the Asia Pacific region: A systematic review and meta-analysis Lara Harvey	34: Association between Additional Weekend Rehabilitation and In-hospital Mortality in Patients with Hip Fracture: A Propensity-Score Matching Analysis in a Nationwide Japanese Database Takahisa OGAWA <i>Pre-recorded presentation</i>	110: Surgical interventions for treating intracapsular hip fractures in older adults: a series of Cochrane Reviews Xavier Griffin	166: Effect of Zoledronic acid on Quality of Life in Osteoporosis Patient Noor Zairin	148: One month and one year mortality rates in Hip fractures in a Tertiary care hospital in South India Uma Thanigai Vassan	14:39 - 14:51
14:52 - 15:04	54: Patient-reported outcome measures after hip fracture in patients with chronic cognitive impairment, results from 34,675 patients in the Norwegian Hip Fracture Register Malfrid Kristoffersen	22: Boosting inpatient exercise after hip fracture using an alternative workforce: a mixed methods implementation evaluation (BOOST study) Marie March	153: Orthogeriatric care with shared responsibility and decision-making provides better care for patients with hip fracture Lene Bergendal Solberg	157: Fragility Fracture Network Malaysia (FFNM) Fracture Liaison Service Framework - A Guide For All Joon Kiong Lee	85: Hand Injuries during COVID-19 UK lockdown: How did the pandemic affect one-year functional outcomes? Zeid Morcos <i>Pre-recorded Presentation</i>	14:52 - 15:04
15:05 - 15:17	134: Cognitive impairment influences the risk of reoperation after hip fracture surgery: results of 87,573 operations reported to the Norwegian Hip Fracture Register Malfrid Kristoffersen	53: Delirium in acute hip fracture - Prevent it and save lives! Sameer Maini	111: Surgical interventions for treating extracapsular hip fractures in older adults: a Cochrane Review and network meta-analysis Xavier Griffin	163: Clinical profile, outcomes and preoperative osteoporotic treatment in patients with fragility hip fracture (HF) Shyan Goh	136: Low-falls leading cause of Major Trauma in Ireland Louise Brent <i>Pre-recorded Presentation</i>	15:05 - 15:17
